Pursuant to current law, you may also elect to opt-out of inclusion in the proposed service area. The term "opt-out" means that you decide that you do not want to receive water service from Tidewater Utilities, Inc., even if a majority of the landowners in the proposed service area do elect to receive water service from Tidewater Utilities, Inc. If you do decide that you do not want to receive water service from Tidewater Utilities, Inc. and instead wish to opt-out, you must notify the Commission, in writing, within sixty days of your receipt of this notice or within thirty days of the filing of the completed application for a CPCN, whichever is greater.

You may also request a public hearing on this matter. A request for a public hearing must be made in writing to the Commission within sixty days of your receipt of this notice or within thirty days of the filing of the completed application for a CPCN, whichever is greater.
